The programme is open to established tuition providers who are able to meet a range of challenging performance targets, representing global best practice in the provision of ACCA course tuition and support.

Gold and Platinum approvals are granted only to high-quality tuition providers whom ACCA is confident to recommend to students. ACCA's Approved Learning Partners – Student Tuition are formally assessed by ACCA on an annual basis.

# ACCA Tuition Provider subscribers

The ACCA Tuition Provider Directory is an online directory of tuition providers, and subscription is open to all tuition providers currently teaching, or about to commence teaching towards any of ACCA's qualifications. It aims to provide ACCA students with the opportunity to make a fully informed decision about their choice of tuition provider.

Subscription to the Tuition Provider Directory alone does not signify approval from ACCA. These tuition providers do not hold formal approval from ACCA. They have not been formally assessed by ACCA, and the quality of tuition that students may receive from these tuition providers therefore cannot be guaranteed by ACCA.

Only ACCA's Approved Learning Partners – Student Tuition have been formally assessed by ACCA.
